Subject: Hello from EPA San Francisco

Dear Sharron,

Hello again – you and I met on June 2 here in SF, when my Regional Administrator, Jared Blumenfeld, met with Ms. Darcy to discuss Cargill, a local wetlands permitting issue. I'm writing to let you know he is scheduled to speak with her by phone on Wednesday, August 20, at 10:30 am PST/1:30 pm EST on this same subject. If you'd like us to discuss in advance, just send me a note or call me and I'd be glad to talk further.

Kind regards,
Alexis
